## Thank You

Dear Mark,

I want you to know how much we appreciate the support of St. John's in our many endeavors. St. John's has been our main stay through 9 years for the Spring Clean-up. St. John's has supported our endeavors not only with the clean-up but also providing space for workshops, conferences, and other community events. Our efforts over the years would not have happened without your support.

Please convey our appreciation to your staff and to the members of your congregation.

Gratefully yours,

Mary Prophet-President, South Newark Civic Association

Thank you for your donation.

Sincerely, Trish Perry and the team @NHO  
(Newark Homeless Outreach)

Thank you...

to our church family for all the support during Elli's illness and her passing. Thank you for all the calls, emails, cards and for the memorial donations in Elli's name to our church. Thank you to Rev. Katrick for his visits and for his and Todd's participation in the funeral service. It is all greatly appreciated. Your thoughtfulness really helped us during this difficult time.

From the Saari and Chirdon families

Dear members and friends of St. John's,

Two and one-half years ago, I made a deal for a brand new Toyota Corolla. I love everything about my car from its smooth ride, to its comfortable seats (perfect for long trips to Vermont to see my kids), to its peppy little engine that roars like a little lion, and its great gas mileage.

A Sirius Satellite Radio was "thrown in" as part of the deal. Somewhere up in heaven I could hear my father, who always negotiated floor mats as his throw-ins saying, "That's my boy."

One of the other models I considered was a Prius. It is Toyota's version of the hybrids that are becoming more commonplace with their gasoline and electric engines, each of which can propel them.

The definition of hybrid is, "a thing made by two different elements; a mixture."

In conversations I'm having with ministers in the Newark Area Ministerial Association (NAMA) and UCC clergy, I've found that hybrid worship services are becoming the rule, and our own St. John's UCC is no exception.

Hybrid services consist of a mixture of live and virtual worship. On Sunday, June 6<sup>th</sup>, our drive-in services at 8 and 10 AM, will be followed by a service in the sanctuary at 11AM. It will be live-streamed into your homes, just like our Thursday evening prayer service.

This hybrid will provide many and varied chances to experience worship and fellowship as one congregation. Since this schedule will remain in place through the end of October, you will be able to take each model for a test drive.

Just stop and think about it. God has handed us the keys to this once in a generation opportunity to invest in something with that brand shiny new car look and feel.

As your pastor, all I am asking from you are two things. As you try out these different elements, give Jeff Conner, our Church and Ministry Chairperson, Julie Kroah, our Christian Education Director and Media Coordinator and me your feedback. This will help us make the worship experience better and more meaningful for you!

While you're doing all of these things, remember that it is Jesus Christ who propels this hybrid model. If we put our faith and trust in Jesus by continuing to build on his sure foundation, this latest chapter in the history of our church will surely be a great success for generations to come!

In Christ's love,  
Rev. Mark

Oh boy, oh boy, oh boy. Your boys, Chester, Chauncey and me can't contain ourselves. Indoor worship is officially back at St. John's, "Yippee yi yo ki-yay!" In case ya' didn't know it that's what cat herders say.

This means things are comin' back to life in the fellowship room and sanctuary!

- Charlie is puttin' on the coffee,
- Jeff is puttin out snacks.
- Julie is puttin' up bright and colorful display Vacation Bible School (VBS is back too!)
- Todd is warmin' up the organ.
- The Rev is tidyin' up the pulpit.

And what about your dedicated and hard-working church mice? We're chargin' up our laptops and settin' up our Smart TVs for if we want to worship in our mouse holes.

But when the choir starts singin' again (we make great sopranos, ya' know) and our supply of Cheetos® runs out, "WE'LL BE BAAAACK!"

## **NEWS FROM CHURCH COUNCIL**

Live-streaming of the 11:00 indoor worship will begin on June 6. Because some parts of the service cannot be streamed, the order of worship is being changed so that the worship will flow more smoothly on air.

We will not yet have ushers inside. Bulletins, communion elements, offering plates will be on tables at the entrances to the sanctuary. We will follow CDC guidelines regarding face masks. We urge folks to get their vaccinations.

Hymnals and Pew Bibles are now back in the pews.

### **Property Committee:** Tom Lawyer and Frank Davis

Bids are being sought for the repaving of both parking lots and the alley. A special congregational meeting will be called in the near future to okay this expenditure.

Live-streaming equipment has been installed.

The American and Christian flags on the flagpole have been replaced.

Windstream will be installing a fiber optic cable to our building. This will update our internet speed.

The concrete repair to the driveway has been postponed until after VBS.

### **Christian Education Committee:** Elaine Gard

Vacation Bible School will be held June 14-18, with most classes meeting outside.

An organizational meeting will be held on Wednesday, June 2, at 6:00 p.m.
